With reference to the condition precedent set out in paragraph 4.1(a) above, the Company will be making an application, through its sponsor, United Overseas Bank Limited ("**Sponsor**"), to the SGX-ST for the listing of and quotation for the Subscription Shares on the Official List of the SGX-ST. The Subscriber shall be entitled to be appointed as a Non-Executive Director of the Company following the completion of the New Proposed Subscription, subject to the recommendation of the nominating committee of the Company and the approval of the Board.

4.6 Future Fundraising

The Company has undertaken not to engage in any fundraising exercise for a period of six (6) months subsequent to the completion of the New Proposed Subscription without the consent of the Subscriber.

5. FINANCIAL EFFECTS OF THE NEW PROPOSED SUBSCRIPTION

- 5.1 The financial effects of the New Proposed Subscription on the Group as set out below are for illustrative purposes only and do not purport to be indicative or a projection of the future financial performance and financial position of the Group after the completion of the New Proposed Subscription.

The financial effects of the New Proposed Subscription on the Group have been computed based on the latest audited consolidated financial statements of the Group for the financial year ended 31 December 2022 (“FY2022”) and the following bases and assumptions:

- (a) the financial effect on the consolidated net tangible liabilities (“NTL”) per Share is computed based on the assumption that the New Proposed Subscription was completed on 31 December 2022, and
- (b) the financial effect on the consolidated loss per Share (“LPS”) is computed based on the assumption that the New Proposed Subscription was completed on 1 January 2022.

Number of issued Shares ('000)	559,127	657,627

LPS for FY2022 (Singapore cents)	1.69	1.43

6. RATIONALE AND USE OF PROCEEDS

6.1 Rationale for the New Proposed Subscription

The Company had previously undertaken the Previous Proposed Subscription with the intention to fully utilise the net proceeds of approximately S\$1.39 million to partially repay the Outstanding Debt of S\$2,138,750, which will be payable by the Company to CBSA no later than 25 November 2023 ("**Payment Due Date**").

As the approval of Shareholders for the Previous Proposed Subscription was not obtained at the EGM held on 21 November 2023, and in view of the Payment Due Date, the Company has on 21 November 2023 written to CBSA to request for an extension of the Payment Due Date to 23 December 2023 ("**Outstanding Debt Extension**"), so as to allow the Company additional time to raise alternative sources of funding for the repayment of the Outstanding Debt. Accordingly, the Company has entered into the New Subscription Agreement primarily to raise funds to repay the Outstanding Debt.

For the avoidance of doubt, the completion of the New Proposed Subscription will not be conditional upon the consent of CBSA for the Outstanding Debt Extension. The Company will make further announcements as and when there are any material developments in relation thereto.

In addition, the Board wishes to highlight that the Company's previous independent auditor, Ernst & Young LLP, had issued a disclaimer of opinion (the "**Disclaimer of Opinion**") in their independent auditor's report dated 10 April 2023 on the audited consolidated financial statements of the Group and the Company for FY2022. The basis for the Disclaimer of Opinion is in relation to the use of the Group's going concern assumption. For the nine-month financial period ended 30 September 2023, the Group had recorded a net loss of approximately S\$1.55 million and a net operating cash outflow of approximately S\$1.48 million. As at 30 September 2023, the Group and the Company was in a net equity deficit position of approximately S\$2.19 million and S\$2.23 million respectively and was in a negative working capital position of approximately S\$1.37 million and S\$1.39 million respectively. These conditions indicate that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern.

Following the completion of the New Proposed Subscription, the Subscriber will be appointed as a Non-Executive Director of the Company and brings with him about 20 years of experience in investment management. The Company intends to carry out, together with the Subscriber, a strategic review of the Group's existing business and the Subscriber will, where appropriate, recommend new businesses to the Board. The Company intends to leverage on the industry network, experience, expertise and resources of the Subscriber to seek new growth opportunities for the Group. In the event the Group undertakes diversification into any new businesses, the Company will, in accordance with the requirements under the Catalist Rules, seek the approval of Shareholders accordingly.

Subject to the completion of the New Proposed Subscription, the Subscriber has undertaken to provide financial support to the Group by way of, *inter alia*, interest-free shareholder's loans to ensure that the Company and the Group will be able to continue to operate as a going concern. The quantum of such financial support is to be mutually agreed between the Company and the Subscriber following the completion of the strategic review of the Group's existing businesses.

In the event (i) CBSA does not consent to the Outstanding Debt Extension and the Company is unable to repay the Outstanding Debt by the Payment Due Date; (ii) the New Proposed Subscription is not completed and/or (iii) the Subscriber does not provide, or is unable to provide, sufficient financial support to the Group for its working capital requirements, the Company and the Group may not be able to operate as a going concern and trading of the Shares may be suspended pursuant to Rule 1303(3) of the Catalist Rules.

6.2 Use of net proceeds from the New Proposed Subscription

The net proceeds from the New Proposed Subscription (after deducting estimated expenses of approximately S\$0.06 million) will amount to approximately S\$1.11 million (the “**Net Proceeds**”), which will be fully utilised by the Company to partially repay the Outstanding Debt.

In the event CBSA does not consent to the Outstanding Debt Extension and the New Proposed Subscription is not completed by the Payment Due Date, the Company intends to negotiate with the Subscriber for, *inter alia*, the provision of a loan by the Subscriber to the Company to enable the Company to repay the Outstanding Debt by the Payment Due Date. Further announcement(s) will be made by the Company to update Shareholders on any such material developments, including the changes, if any, to the use of the Net Proceeds.

The Company will make periodic announcements as and when the Net Proceeds are materially disbursed and whether the disbursements are in accordance with the use of proceeds as stated in this announcement. The Company will also provide a status report on the use of such Net Proceeds in the Company’s annual report. Where there is any material deviation from the stated use of proceeds, the Company will announce the reasons for such deviation. Where the Net Proceeds are used for working capital purposes, the Company will provide a breakdown with specific details on how the Net Proceeds have been applied in the Company’s announcements and annual report.

7. OPINION OF THE DIRECTORS

The Directors are of the opinion that, after taking into consideration the Group’s present bank facilities, as at the date of this announcement, the working capital available to the Group is not sufficient to meet its present requirements.

The Directors are of the opinion that, after taking into consideration the Group’s present bank facilities and the Net Proceeds, as at the date of this announcement, the working capital available to the Group is not sufficient to meet its present requirements.

The Board notes that under the terms of the New Subscription Agreement, subject to completion of the New Proposed Subscription, the Subscriber has undertaken to provide financial support to the Group by way of, *inter alia*, interest-free shareholder’s loans to ensure that the Company and the Group will be able to continue to operate as a going concern. The quantum of such financial support is to be mutually agreed between the Company and the Subscriber following the completion of the strategic review of the Group’s existing businesses.

In addition, the Subscriber is not under the control or influence of any of the Directors or substantial Shareholders.
