2. PROPOSED SHARE ISSUANCES

2.1. The Yuan Service Agreement and the Proposed Yuan Shares Issuance

(a) Background and Rationale of the Yuan Service Agreement

As announced by the Company on 24 July 2024, the Company had entered into a sale and purchase agreement with Dreamsgame Inc. Limited (梦幻西游有限公司), Mr. Yuan and Mr. Wu Kunwei (吴坤伟) in connection with the SXNT Acquisition. Mr. Yuan is the executive director (执行董事), general manager (总经理) and legal representative (法定代表人), director (董事) and key management of SXNT. He is also one of the two founders of SXNT and is responsible for leading the operational management and strategic development of SXNT, ensuring that SXNT achieves its strategic business goals and maintains sustained growth. Following the completion of the SXNT Acquisition, SXNT is a wholly-owned subsidiary of Embracing Future E-Sports Pte. Ltd. (“**EFE-Sports**”) and a wholly-owned indirect subsidiary of the Company.

Pursuant to the terms of the Yuan Service Agreement, Mr. Yuan shall be employed to serve as a full-time Chief Executive Officer of SXNT under the direction and supervision of, and reporting to, the board of directors of SXNT and the Company. While Mr. Yuan is the existing Executive Director of SXNT, he primarily oversees SXNT’s daily operations, implement business strategies, and manage departmental functions. Mr. Yuan’s new role as Chief Executive Officer of SXNT entails greater accountability for SXNT’s financial performance and overall corporate growth of EFE-Sports, the holding company of SXNT.

Mr. Yuan has been employed to support the strategic direction of SXNT. The Yuan Sign-On Shares and Yuan Performance Bonus Shares are being issued to attract Mr. Yuan to enter into employment with SXNT. The issuance of the Yuan Performance Bonus Shares serves as a strategic incentive that will align Mr. Yuan’s interests with the long-term growth and success of the Group. In addition, the performance-based structure ensures that the Yuan Performance Bonus Shares are only granted upon achievement of the specific Yuan Performance Bonus Targets (as defined herein), thereby reinforcing a results-oriented leadership approach by directly tying compensation to measurable business achievements, ensuring accountability and high performance.

(b) Information on Mr. Yuan

Mr. Yuan is a citizen of the People’s Republic of China (“**PRC**”) and he has 18 years of professional working experience. Mr. Yuan is one of the earliest entrepreneurs in the gaming and mobile internet industry in the PRC, with deep understanding and insight into the sector. Prior to joining SXNT as the Chief Executive Officer, Mr. Yuan served as the chief executive officer of a game promotion company in Shanghai, PRC between 2020 and 2023 and a game distribution company in Shenzhen, PRC between 2016 to 2020, where he was responsible for developing and executing strategic plans to lead the company in achieving business breakthroughs and sustainable development. Mr. Yuan graduated with a Bachelor’s degree in Engineering from Hunan University in the PRC.

As at the date of this announcement, Mr. Yuan is a substantial shareholder of the Company holding 148,391,600 Shares, representing 8.78% of existing share capital of the Company of 1,690,758,836 Shares (the “**Existing Share Capital**”). Pursuant to the terms and

conditions of the SXNT Acquisition, 63,596,400 Shares, representing 3.76% interest in the Existing Share Capital of the Company (the “**Earn-Out Consideration Shares**”) are currently held in escrow and to be released to Mr. Yuan where SXNT achieves a net profit after tax of RMB 0.75 million (the “**SXNT NPAT Target**”) for the 12-month period up to the first anniversary of completion of the SXNT Acquisition, as described in section 2.4.4. of the Company’s circular dated 4 September 2024. In the event that the SXNT NPAT Target is not achieved, the Earn-Out Consideration Shares shall be cancelled or forfeited in accordance with the relevant applicable laws.

Mr. Yuan has confirmed that he is (a) not co-operating pursuant to an agreement or undertaking (whether formal or informal) with any persons to obtain or consolidate effective control of the Company; (b) he is an independent third party who is unrelated to the Directors and substantial Shareholders, and (c) save for Mr. Yuan’s 148,391,600 Shares and 63,596,400 Earn-Out Consideration Shares, he and his Associates do not hold, directly or indirectly, any Shares or any instruments convertible into, rights to subscribe for and options in respect of Shares.

Save as disclosed above in relation to Mr. Yuan being a substantial shareholder of the Company and his executive positions in SXNT, Mr. Yuan has no other connections (including any business relationships or transactions, prior to the Yuan Service Agreement) with the Company, the Directors, or the Company’s substantial shareholders.

(c) Term and Termination of the Yuan Service Agreement

The Yuan Service Agreement shall commence with effect from the date that the Shareholders’ approval is obtained for the Proposed Yuan Share Issuance at the EGM to be convened (the “**Effective Date**”) and such employment shall continue (subject to earlier termination as provided in Yuan Service Agreement) after the Effective Date for an initial term of three (3) years and thereafter shall automatically continue from year to year unless terminated in accordance with the Yuan Service Agreement.

Shareholders are to note that the Yuan Service Agreement shall only be effective upon the approval of the Proposed Yuan Shares Issuance at the forthcoming EGM. In the event where the Shareholders do not approve the resolution in connection with the Proposed Yuan Shares Issuance, the Yuan Service Agreement would not come into force.

The Yuan Service Agreement may be terminated by either party giving the other not less than three (3) months’ written notice without any reason being assigned for such termination and without any compensation for such termination, or may agree to payment of three (3) months’ salary-in-lieu of such notice. The parties may by mutual agreement waive or vary the notice requirement. SXNT may also terminate the Yuan Service Agreement upon the occurrence of certain events such as if Mr. Yuan commits any material or repeated breach of any of the provisions of the Yuan Service Agreement, is guilty of fraud, dishonesty or serious misconduct, ceases to hold an employment pass to work for SXNT (if required), becomes bankrupt or becomes prohibited by law or a regulatory body from being an employee or a director of any company, firm or entity. Upon termination of Yuan Service Agreement, Mr. Yuan shall, upon the request of SXNT, resign from all offices held in SXNT and shall deliver to SXNT, in proper order and condition, all books, documents, papers, materials and any other property or assets relating to the business or affairs of SXNT or its subsidiaries which may be in Mr. Yuan’s possession or control.

(d) Yuan Sign-On Shares

Pursuant to the Yuan Service Agreement, the Company shall, subject to the Company receiving the relevant approval(s) from Shareholders and the SGX-ST, grant to Mr. Yuan such number of new Shares representing 2.07% of the Existing Share Capital of the Company as at the date of the Yuan Service Agreement (the “**Yuan Sign-On Shares Allocation**”), being 35,000,000 new Shares or such number of Shares representing the

Yuan Sign-On Shares Allocation as may be agreed between the parties in writing on a date to be mutually agreed by the parties.

The issue price for the Yuan Sign-On Shares is S\$0.023, representing a 9.5% premium to the volume weighted average price of the Company's Shares on 16 May 2025 of S\$0.021, being the full market day on which Shares were traded on the date of execution of the Yuan Service Agreement and takes into account the rationale for the Proposed Yuan Shares Issuance as set out in section 2.1(a) above, the prevailing market conditions and the recent share prices of the Company.

The Yuan Sign-On Shares, when allotted and issued, shall be free from all claims, charges, liens and other encumbrances whatsoever and shall rank *pari passu* in all respects with and shall carry all rights similar to the existing Shares except that they will not rank for any dividend, right, allotment or other distributions, the record date for which falls on or before the completion of the allotment and issuance of Yuan Sign-On Shares.

There is no moratorium imposed on the Yuan Sign-on Shares. The Yuan Sign-On Shares are being issued to attract Mr. Yuan to enter into employment with the Company and accordingly, no cash proceeds will be received by the Company from Mr. Yuan.

Following the completion of the allotment and issuance of the General Mandate Issuances and the Yuan Sign-On Shares, assuming that the SXNT NPAT Target is achieved and the Earn-Out Consideration Shares are released, Mr. Yuan will hold 246,988,000 Shares representing 14.26% of the enlarged share capital of the Company of 1,731,915,900 Shares.

For the avoidance of doubt, the Yuan Sign-On Shares and the Yuan Performance Bonus Shares as set out below are separate from the Earn-Out Consideration Shares currently held in escrow.

(e) Yuan Performance Bonus Shares

Pursuant to the Yuan Service Agreement, Mr. Yuan shall be entitled to receive a performance bonus (the "**Yuan Performance Bonus**") from time to time during the period of three (3) financial years commencing from the financial year ended 31 December 2025 ("**FY2025**"), provided that the total aggregate (a) amount of management fees received by the Company from SXNT and EFE-Sports on a consolidated basis for each financial year and (b) the audited net profit after tax ("**NPAT**") of SXNT and/or EFE-Sports attributable to the Company in respect of each financial year, shall be at least S\$500,000 (the "**Yuan Performance Bonus Targets**"). The Company shall set the Performance Bonus Targets for Mr. Yuan at the commencement of each financial year and the achievement of the Performance Bonus Targets shall be determined by the Company and EFE-Sports within four (4) months from the end of each financial year.

The Yuan Performance Bonus for each financial year shall be equivalent in value to the aggregate sum of (a) the management fees received by the Company from SXNT and EFE-Sports on a consolidated basis for each financial year and (b) the audited NPAT of SXNT and/or EFE-Sports attributable to the Company for each relevant financial year, subject to a cap of S\$3,000,000 of Performance Bonus for each financial year.

The Board shall have the sole discretion, taking into consideration the Company's Remuneration Committee's recommendations, to determine the portion of the Yuan Performance Bonus under the Yuan Service Agreement to be satisfied in cash and/or in Shares. If any part of the Yuan Performance Bonus shall be paid in Shares, the issue price of the Yuan Performance Bonus Shares shall be fixed at S\$0.023 per Yuan Performance Bonus Share ("**Yuan Performance Bonus Share Issue Price**").

The Yuan Performance Bonus Shares Issue Price represents a 9.5% premium to the volume weighted average price of the Company's Shares on 16 May 2025 of S\$0.021, being the full market day on which Shares were traded on the date of execution of the

Yuan Service Agreement and takes into account the rationale for the Proposed Yuan Shares Issuance as set out in section 2.1(a) above, the prevailing market conditions and the recent share prices of the Company.

The Yuan Service Agreement further provides that the parties agree that the Company and/or SXNT will scale down the number of Yuan Performance Bonus Shares to avoid placing Mr. Yuan and parties acting in concert (as defined under the Singapore Code on Take-overs and Mergers (“**Code**”)) with him (if any) in the position of incurring a mandatory general offer obligation under the Code as a result of the allotment and issuance of the Yuan Performance Bonus Shares. For the avoidance of doubt, the issuance of the Performance Bonus Shares shall not be intended or construed to result in a change of control or transfer of controlling interest in the Company and the Board shall have the discretion to make all necessary adjustments to the Performance Bonus to ensure compliance with this intention.

Further, to be eligible to receive the Yuan Performance Bonus, Mr. Yuan must still be employed by SXNT on the relevant payment dates and must not have, at such relevant payment date, either given or received notice of termination of employment for any reason whatsoever.

The Yuan Performance Bonus Shares, when allotted and issued, shall be free from all claims, charges, liens and other encumbrances whatsoever and shall rank *pari passu* in all respects with and shall carry all rights similar to the existing Shares except that they will not rank for any dividend, right, allotment or other distributions, the record date for which falls on or before the completion of the allotment and issuance of the Yuan Performance Bonus Shares.

There is no moratorium imposed on the Yuan Performance Bonus Shares. As set out in section 2.1(a) above, the Yuan Performance Bonus Shares are being issued to Mr. Yuan as a strategic initiative to achieve the relevant Yuan Performance Bonus Targets and accordingly, no cash proceeds will be received by the Company from Mr. Yuan.

In the event where the Yuan Performance Bonus Targets are achieved for each of the three (3) financial years and assuming that the Yuan Performance Bonus is fully paid in Shares, a minimum of approximately 65,217,391 Yuan Performance Bonus Shares (“**Minimum Yuan Performance Bonus Shares**”) and a maximum of 391,304,348 Yuan Performance Bonus Shares (“**Maximum Yuan Performance Bonus Shares**”) would be allotted and issued to satisfy the Yuan Performance Bonus in full for the three financial years up until 31 December 2027.

Minimum Yuan Performance Bonus Shares Issued

For illustrative purposes, the table below sets out the shareholding for each financial year end following the completion of the allotment and issuance of Yuan Sign-On Shares, Minimum Yuan Performance Bonus Shares, ECA Shares, Ali Shares and Icon Shares assuming that (a) the SXNT NPAT Target is achieved and the respective Earn-Out Consideration Shares are released to Mr. Yuan, (b) the minimum Yuan Performance Bonus Targets are met for each financial year and the Yuan Performance Bonus for each financial year is satisfied fully in Shares, (c) Mr. Yuan is not acting in concert with any other parties, and (d) there are no other share allotment and issuances undertaken by the Company during the three (3) financial years.

Financial Year ended	Minimum Yuan Performance Bonus Shares Issued	Company's enlarged share capital	Mr. Yuan's resultant number of Shares	Mr. Yuan's resultant shareholding
31 December 2025	21,739,130	1,753,655,030	268,727,130	15.32%
31 December 2026	21,739,130	1,775,394,161	290,466,261	16.36%
31 December 2027	21,739,130	1,797,133,291	312,205,391	17.37%

Maximum Yuan Performance Bonus Shares Issued

For illustrative purposes, the table below sets out the shareholding for each financial year end following the completion of the allotment and issuance of Yuan Sign-On Shares, Maximum Yuan Performance Bonus Shares, ECA Shares, Ali Shares and Icon Shares assuming that (a) the SXNT NPAT Target is achieved and the respective Earn-Out Consideration Shares are released to Mr. Yuan, (b) the maximum Yuan Performance Bonus Targets are met for each financial year and the Yuan Performance Bonus for each financial year is satisfied fully in Shares, (c) Mr. Yuan is not acting in concert with any other parties, and (d) there are no other share allotment and issuances undertaken by the Company during the three (3) financial years.

Financial Year ended	Maximum Performance Bonus Shares Issued	Company's enlarged share capital	Mr. Yuan's resultant number of Shares	Mr. Yuan's resultant shareholding %
31 December 2025	130,434,783	1,862,350,683	377,422,783	20.27%
31 December 2026	130,434,783	1,992,785,465	507,857,565	25.48% ⁽¹⁾
31 December 2027	130,434,783	2,123,220,248	638,292,348	30.06% ⁽²⁾⁽³⁾

Note:

- (1) The resultant shareholding of Mr. Zhu Hua, the single largest Shareholder of the Company, will be diluted to 25.37% and thereby resulting in a transfer of a "controlling interest" which would require specific Shareholders' approval pursuant to Rule 803 of the Catalyst Rules. Please refer to section 2.1(f) below in relation to the potential transfer of controlling interest.
- (2) The resultant shareholding of Mr. Zhu Hua, the single largest Shareholder of the Company, will be diluted to 23.81% and thereby resulting in a transfer of a "controlling interest" which would require specific Shareholders' approval pursuant to Rule 803 of the Catalyst Rules. Please refer to section 2.1(f) below in relation to the potential transfer of controlling interest.
- (3) As Mr. Yuan's resultant shareholding following the allotment and issuance of the Maximum Performance Bonus Shares for the financial year ended 2027, will result in Mr. Yuan carrying 30% of more of the voting rights of the Company, the Company will

scale down Mr. Yuan's Performance Bonus Shares to avoid placing Mr. Yuan from being in a position of incurring a mandatory general offer obligation under the Code.

(f) Potential Transfer of Controlling Interest

Rule 803 of the SGX-ST's Listing Manual Section B: Rules of Catalyst ("**Catalist Rules**") provides that an issuer must not issue securities to transfer a controlling interest without prior approval of shareholders in general meeting. Under the Catalyst Rules, a Controlling Shareholder is a person who (a) holds directly or indirectly 15% or more of the total number of issued voting Shares, or (b) in fact exercises control over the Company.

As illustrated in the tables in section 2.1(e) above for both scenarios, assuming that (a) the SXNT NPAT Target is achieved and the respective Earn-Out Consideration Shares are released to Mr. Yuan, (b) the minimum or maximum Yuan Performance Bonus Targets are met for each financial year and the Yuan Performance Bonus for each financial year is satisfied fully in Shares, (c) Mr. Yuan is not acting in concert with any other parties, and (d) there are no other share allotment and issuances undertaken by the Company during the three financial years, Mr. Yuan's resultant shareholding of the enlarged share capital following the allotment and issuance of the Yuan Sign-On Shares, Yuan Performance Bonus Shares, ECA Shares, Ali Shares and Icon Shares would exceed 15% and Mr. Yuan will accordingly be deemed to be a controlling shareholder of the Company.

With regards to the scenario where the Maximum Yuan Performance Bonus Shares are allotted and issued for financial year ended 31 December 2026 and 31 December 2027, the resultant shareholding of Mr. Zhu Hua, the single largest Shareholder of the Company, will be diluted to 25.37% and 23.81% respectively, and he will cease to be the single largest Shareholder of the Company, thereby resulting in a transfer of a "controlling interest" which would require specific Shareholders' approval pursuant to Rule 803 of the Catalyst Rules.

As stated in section 2.1 above, the Yuan Service Agreement provides that the Board shall have the sole discretion, taking into consideration the Company's Remuneration Committee's recommendations, to determine the portion of the Yuan Performance Bonus under the Yuan Service Agreement to be satisfied in cash and/or in Shares. The Board (with Mr. Zhu Hua abstaining) may therefore determine whether the Yuan Performance Bonus shall be satisfied partly in cash and Shares such that the Proposed Yuan Shares Issuance would not result in a transfer of a "controlling interest" which would require specific Shareholders' approval pursuant to Rule 803 of the Catalyst Rules. In the event where the Board determines that the Yuan Performance Bonus shall be paid fully in Shares, the Company will need to convene an EGM to obtain Shareholder approval in respect of the proposed transfer of controlling interest for the Proposed Yuan Share Issuance to proceed.

Save for the scenario where the Maximum Yuan Performance Bonus Shares are allotted and issued for financial year ended 31 December 2026 and 31 December 2027, the completion of the Proposed Share Issuances will only result in the addition of a controlling shareholder by virtue of Mr. Yuan's shareholding exceeding 15% and Mr. Zhu Hua will remain as the single largest Shareholder of the Company. Accordingly, the Proposed Yuan Shares Issuance would not result in the transfer of a "controlling interest" which would require specific Shareholders' approval pursuant to Rule 803 of the Catalyst Rules.

The Company will make further announcements as appropriate to update Shareholders on the achievement of the Yuan Performance Bonus Targets and the payment of the Yuan Performance Bonuses.

(g) Authority for the Proposed Yuan Shares Issuance

Rule 812 of the Catalyst Rules provides that an issue of securities must not be placed to, *inter alia*, an issuer's directors and substantial shareholders unless specific shareholder approval for such placement has been obtained, with such directors and substantial shareholders and their associates abstaining from voting on the shareholders' resolution to approve such placement.

As Mr. Yuan is a substantial shareholder of the Company as at the date of this announcement, Mr. Yuan falls under the class of restricted persons as specified in 812(1) of the Catalist Rules.

Accordingly, the Proposed Yuan Shares Issuance is subject to the LQN and the specific approval of the Shareholders to be sought at the EGM in accordance with Rules 805(1) and 812(2) of the Catalist Rules and section 161 of the Companies Act 1967 of Singapore. The Company will be convening the EGM to seek Shareholders' approval for the Proposed Yuan Shares Issuance.

The Company will make an application to the SGX-ST for the listing and quotation of the Yuan Sign-On Shares following the conclusion of the EGM and the Yuan Performance Bonus Shares on the Catalist after the Company determines that the Yuan Performance Bonus Targets have been achieved for each of the respective years, and makes the relevant announcement(s) in relation to the achievement of the Yuan Performance Bonus Targets and the payment of the Yuan Performance Bonus.

In accordance with Rule 812(2) of the Catalist Rules, Mr. Yuan will abstain from voting on or being appointed as proxies and his associates (if any) will abstain from voting on or being appointed as proxies, in connection with the Proposed Yuan Shares Issuance.

Shareholders are to note that the Yuan Service Agreement shall only be effective upon the approval of the Proposed Yuan Shares Issuance at the forthcoming EGM. In the event where the Shareholders do not approve the resolution in connection with the Proposed Yuan Shares Issuance, the Yuan Service Agreement would not come into force.

(h) Opinion of the Board in connection with the Yuan Performance Bonus and the Proposed Yuan Shares Issuance

The management fees received by the Company relate to the management support and advisory services provided by the Company to SXNT and EFE-Sports. These services aim to enhance the operational efficiency and profitability of SXNT. EFE-Sports, as the direct holding company of SXNT, plays a crucial role in overseeing and supporting SXNT's business strategies. Since management fees, may be processed through EFE-Sports, its financial performance is included in the Yuan Performance Bonus performance matrix. This ensures a more comprehensive assessment of Mr. Yuan's contributions by capturing both SXNT's direct financial results and EFE-Sports' broader profitability at the Group's business segment level.

While the management fees stem from the management support and advisory services to be provided by the Company, the inclusion of such fees as a component to the Yuan Performance Bonus performance matrix recognises Mr. Yuan's instrumental role in translating these strategic directives into tangible financial success. As the proposed Chief Executive Officer of the SXNT, Mr. Yuan will be responsible for executing the strategies and initiatives formulated by the Company and/or EFE-Sports, driving operational performance and ensuring sustainable growth within this business segment. Mr. Yuan's leadership directly influences this business segment's profitability, which impacts the revenues and earnings of both EFE-Sports and the Company. Given the interconnected nature of these financial outcomes within this business segment, structuring the Yuan Performance Bonus to the consolidated management fees received by the Company as well as the audited NPAT of SXNT and/or EFE-Sports attributable to the Company, ensures that Mr. Yuan's incentives are aligned with the long-term success of the entire Group structure.

The Board has weighed the benefits against the potential costs to the Company as elaborated above and is of the view that the Proposed Yuan Shares Issuances is beneficial to and in the interests of the Company and its Shareholders and enables the Group to

improve its working capital position while conserving its cash resources as the Company would not have to bear a higher cash component in Mr. Yuan's compensation package.

The Board further notes that granting Mr. Yuan the Yuan Performance Bonus equivalent to the Yuan Performance Bonus Targets achieved by SXNT, aligns his incentives with SXNT's financial performance, which contributes to the overall success of the Group. Unlike a percentage-based bonus structure, linking the Yuan Performance Bonus to the actual amount of management fees received from SXNT and/or the audited NPAT of SXNT ensures a clear, transparent and performance-driven incentive mechanism which fully rewards Mr. Yuan for his efforts in driving SXNT's success and profitability while maintaining a predefined cap to safeguard shareholder interests. Additionally, issuing the Yuan Performance Bonus in Shares conserves the Group's cash resources and reinforces Mr. Yuan's confidence in the Company's long-term success.

2.2. Payment of ECA Professional Fees for the SXNT Acquisition

The Company had appointed ECA as the financial adviser to the Company for the SXNT Acquisition. ECA is the Company's continuing sponsor. ECA is a capital markets services licensee for dealing in capital markets products and advising on corporate finance and is authorised as a full sponsor by the SGX-ST.

Pursuant to the ECA Supplemental Agreement, the Company shall allot and issue 2,630,887 ECA Shares at the issue price of S\$0.019 per ECA Share (the "**ECA Issue Price**") to ECA, as consideration for part of the final milestone payment of the professional fees in connection with the SXNT Acquisition.

The ECA Issue Price represents a 9.5% discount to the volume-weighted average price of the Company's Shares on 16 May 2025 of S\$0.021, being the full market day on which Shares were traded on the date of the ECA Supplemental Agreement. The ECA Issue Price was arrived at after taking into consideration the prevailing market conditions and the recent share prices of the Company.

The ECA Shares shall be issued free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued shares of the Company at the time of the issue except that the ECA Shares will not rank for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the ECA Shares.

The ECA Shares represent approximately 0.16% of the Existing Share Capital and approximately 0.15% of the enlarged share capital of the Company immediately after the completion of the issuance of the Yuan Sign-On Shares, ECA Shares, the Ali Shares and the Icon Shares.

The rationale for the Proposed ECA Shares Issuance is for the payment of the ECA Professional Fees and accordingly, no cash proceeds will be received by the Company from ECA.

There is no moratorium imposed on the ECA Shares. The allotment and issuance of the ECA Shares will not result in a transfer of controlling interest of the Company. There are no share borrowing arrangements for issuance of the ECA Shares.

As at the date of this announcement, save for the 4,132,231 Shares held by ECA, and save as disclosed above, ECA does not hold, directly or indirectly, any Shares and ECA does not have any connections (including business relationships) with any Director or substantial shareholder of the Company.

ECA has confirmed that, save for the 4,132,231 Shares held by ECA, it, or its partner or director, or associate of such partner or director, does not, individually or collectively, hold, directly or indirectly, any Shares. ECA further confirms that it is independent of and has no conflicts of interest with the Company.

To the best of the Company's knowledge, ECA is not related to the Directors, controlling shareholders of the Company, or their respective associates. To the best of the Company's knowledge, save as disclosed above, ECA does not have any connection (including business relationship) with the Company, its Directors and substantial shareholders, and ECA does not fall within any of the categories the Company is prohibited from issuing Shares to, as provided for by Rule 812 of the Catalist Rules.

Notwithstanding the termination of the Consultant Agreement, the Consultant has, from April 2024 to September 2025, continued to assist the Company in closing out all outstanding matters relating to patents, intellectual property rights, and licensing agreements. Pursuant to the Ali Supplemental Agreement, the Company shall make payment of the Ali Post-Termination Services Fees through the allotment and issuance of 3,000,000 Ali Shares at the issue price of S\$0.021 per Ali Share (the **"Ali Issue Price"**).

The Ali Issue Price is equivalent to the volume-weighted average price of the Company's Shares on 16 May 2025 of S\$0.021, being the full market day on which Shares were traded on the date of the Ali Supplemental Agreement. The Ali Issue Price was arrived at after taking into consideration the prevailing market conditions and the recent share prices of the Company.

The Ali Shares shall be issued free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued shares of the Company at the time of the issue except that the Ali Shares will not rank for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Ali Shares.

The Ali Shares represent approximately 0.18% of the Existing Share Capital and approximately 0.17% of the enlarged share capital of the Company immediately after the completion of the issuance of the Yuan Sign-On Shares, ECA Shares, the Ali Shares and the Icon Shares.

The rationale for the Proposed Ali Shares Issuance is for the payment of the Ali Post-Termination Fees and accordingly, no cash proceeds will be received by the Company from Mr. Ali.

There is no moratorium imposed on the Ali Shares. The allotment and issuance of the Ali Shares will not result in a transfer of controlling interest of the Company. There are no share borrowing arrangements for issuance of the Ali Shares.

As at the date of this announcement, save for the 694,700 Shares held by Mr. Ali and save as disclosed above, Mr. Ali does not hold, directly or indirectly, any Shares and Mr. Ali does not have any connections (including business relationships) with the Company, any Director or substantial shareholder of the Company and he does not fall within any of the categories of persons whom the Company is prohibited from issuing Shares to, as provided for by Rule 812 of the Catalist Rules.

Save as for aforementioned, Mr. Ali has confirmed that he and his associates, do not hold, individually or collectively, directly or indirectly, any Shares or any instruments convertible into, rights to subscribe for and options in respect of Shares. The Ali Supplemental Agreement further provides that the consultancy agreement entered between the Company and Mr. Ali has been terminated since 31 March 2024 and Mr. Ali shall continue to assist the Company in closing out all outstanding matters relating to patents, intellectual property rights and licensing agreements, including but not limited to negotiating discounts and payment terms with relevant counterparties.

2.4. Payment of Icon Professional Fees for the Proposed Transactions

Based on the Icon Engagement Letter, the Company may make partial payment of the professional fees in connection with the Proposed Transactions (the "**Icon Professional Fees**") through the issuance of 526,177 Icon Shares at the issue price of S\$0.019 per Icon Share (the "**Icon Issue Price**").

The Icon Issue Price represents a 9.5% discount to the volume-weighted average price of the Company's Shares on 16 May 2025 of S\$0.021, being the full market day on which Shares were traded on the date of the Board approval of the Icon Engagement Letter. The Icon Issue Price was arrived at after taking into consideration the prevailing market conditions and the recent share prices of the Company.

The Icon Shares shall be issued free from all claims, pledges, mortgages, charges, liens and encumbrances and shall rank in all respects *pari passu* with the then existing issued shares of the Company at the time of the issue except that the Icon Shares will not rank for any dividends, rights, allotments or other distributions, the record date for which falls before the date of issue of the Icon Shares.

The Icon Shares represent approximately 0.03% of the Existing Share Capital and approximately 0.03% of the enlarged share capital of the Company immediately after the completion of the issuance of the Yuan Sign-On Shares, ECA Shares, the Ali Shares and the Icon Shares.

The rationale for the Proposed Icon Shares Issuance is for the payment of the Icon Professional Fees and accordingly, no cash proceeds will be received by the Company from Icon Law.

Icon Law further confirms that it is independent of and has no conflicts of interest with the Company.

To the best of the Company's knowledge, Icon Law is not related to the Directors, controlling shareholders of the Company, or their respective associates. To the best of the Company's knowledge, save as disclosed above, Icon Law does not have any connection (including business relationship) with the Company, its Directors and substantial shareholders, and Icon Law does not fall within any of the categories the Company is prohibited from issuing Shares to, as provided for by Rule 812 of the Catalist Rules.

The Company will not be relying on the General Mandate for the Yuan Sign-On Shares and the Yuan Performance Bonus Shares and accordingly, the Company will be convening the EGM to seek Shareholders' approval for the issuance of the Subscription Shares under the Proposed Subscription pursuant to Section 161 of the Companies Act and Rule 805(1) of the Catalist Rules.

(c) Rule 812(1) of the Catalist Rules

3. THE PROPOSED CHANGE OF NAME OF COMPANY

The Directors are proposing to change the Company's name from **"Biolidics Limited"** to **"Embracing Future Holdings Limited"** for identification purpose.

Since the Company's listing on the Catalist board of the SGX-ST in December 2018, the Group has obtained approval from the Company's Shareholders at the EGM convened on 23 February 2024 for the diversification of the Group's business to include the technology-enabled lifestyle business (the **"2024 Business Diversification"**) and the Group further intends to diversify into the New Businesses as described in Section 4 below, subject to Shareholder approval for the Proposed Diversification.

As the Group expands beyond its original business segments, the Proposed Change of Name will be beneficial to the Company as it better reflects the profile and business of the Company's business going forward. Accordingly, the Board is of the view that the Proposed Change of Name will enable the Company to create a new brand identity for itself, reflecting its current strategic direction and business activities. The Proposed Change of Name will enable the public and the Group's business partners and stakeholders to identify and recognise the Company and the Group under this new name.

Shareholders should note that the Proposed Change of Name does not affect (i) the identity or legal status of the Company, (ii) any of the rights or obligations of the Company, (iii) any of the rights of Shareholders, or (iv) the Group's daily business operations and financial position. The existing Shares will continue to be traded on the SGX-ST.

The Proposed Change of Name is subject to Shareholders' approval and will be tabled as a special resolution at the EGM to be convened.

The Accounting and Corporate Regulatory Authority of Singapore had on 5 February 2025 given its approval for the Proposed Change of Name. The proposed name **"Embracing Future Holdings Limited"** has been reserved by the Company until 5 June 2025.

A circular containing, *inter alia*, the notice of the EGM and the details of the Proposed Change of Name will be dispatched to Shareholders in due course. The Company will make an

announcement upon further developments in relation to the Proposed Change of Name as and when appropriate.

4. THE PROPOSED DIVERSIFICATION

4.1. Background

Following the approval of the shareholders for the 2024 Business Diversification to include the technology-enabled entertainment business and the completion of the SXNT Acquisition of which SXNT is principally engaged in E-Sport services in the PRC, the principal activities of the Group and the Company are those relating to: (a) technology development, technology transfer, marketing, sale and distribution of biomedical technology, life and medicine science related products and services; (b) provision of laboratory services; (c) provision of E-sport services; and (d) investment holding, (collectively, the “**Existing Business**”).

While the Group remains committed to the Existing Business so long as its continuity is in the best interest of the Group and the Shareholders of the Company, the proposed expansion of the Group’s core business is meant to benefit from the increased business opportunities with an aim to enhance its financial position and long term prospects of the Group.

4.2. The New Businesses

Subject to approval of Shareholders being obtained at an EGM to be convened, the Group proposes to diversify into the New Businesses as described below, as and when the appropriate opportunities arise:

- (a) to engage in the development, production, distribution and utilisation of renewable and sustainable energy sources such as solar, wind, hydro, and bioenergy as well as advancements in energy storage and smart grid technologies (the “**Green Energy Business**”); and
- (b) to engage in the development and commercialisation of artificial intelligence (“**AI**”) agent technologies that leverage generative AI, natural language processing and machine learning to automate processes, enhance efficiency, and support digital transformation across various industries (the “**AI Agent Business**”).

The Group also proposes, as part of the New Businesses, to invest or acquire from time to time any interest, including assets, investments or shares in companies and/or entities in line with the New Businesses. The Group does not plan to restrict the New Businesses to any specific geographical market as each investment will be evaluated and assessed by the Board on its merits. The Group may also explore joint ventures, partnerships, cooperation and/or strategic alliances with third parties who have the relevant expertise and resources to carry out the New Businesses as and when the opportunity arises.

The Group has not committed to any specific business opportunity or investment under the New Businesses as at the date of this announcement.

The proposed diversification into the New Businesses will be funded primarily through internal funds and/or retained earnings generated from the Group’s operations. As and when necessary and deemed appropriate, the Company may explore secondary fund-raising exercises by tapping the capital markets including but not limited to rights issues, share placements and/or issuance of debt instruments.

4.3. Rationale for the Proposed Diversification

The Board proposes to diversify the Group’s Existing Business to include the New Businesses for the following reasons:

(a) Additional and recurrent revenue streams

The Group is of the view that the New Businesses are expected to provide additional and recurrent revenue streams for the Group. The Group will venture into the New Businesses prudently, with a view of enhancing shareholder value over the long-term and achieving long-term growth.

(b) More diversified business and income base, reducing reliance on Existing Business

The Proposed Diversification may provide the Group with a more diversified business and income base for future growth and reduce the Group's reliance on the Existing Business for its revenue streams. As the Group explores into other growth areas, this will facilitate the Group's quest for sustained performance in future.

(c) Enhance Shareholders' value

The Proposed Diversification is part of the corporate strategy of the Group to provide Shareholders with diversified returns and long term growth. It may provide the Group with additional funds, which can be channelled towards the enhancement of shareholder value over the long-term. Additionally, the Board believes that the Proposed Diversification can offer new business opportunities, provide the Group with new revenue streams and improve its prospects, so as to enhance Shareholders' value for the Company.

(d) Positive prospects in the Green Energy Business and AI Agent Business industries

Diversifying into the New Businesses presents significant growth opportunities for our Group, aligning with global trends and market demands. Both industries are experiencing rapid expansion, driven by technological advancements, regulatory support, and increasing consumer and corporate adoption.

With governments and corporations worldwide committing to carbon neutrality, there is a strong demand for sustainable energy solutions. The green energy industry benefits from regulatory incentives, cost reductions in renewable technologies, and a growing emphasis on corporate social responsibility. Investing in green energy would allow our Group to contribute to environmental sustainability while capitalising on the long-term financial benefits of clean energy adoption.

AI adoption is accelerating across industries, from customer service and content generation to data analytics and automation, presenting lucrative opportunities for innovation and scalability. By diversifying into the AI Agent business sector, the Group can tap into rapidly growing markets, stay competitive, and future-proof the Group's business.

4.4. Shareholders' Approval

The Proposed Diversification involves the New Businesses which are substantially different from the Existing Business, and is envisaged to change the existing risk profile of the Group. Pursuant to the Catalist Rules, Shareholders' approval is required for the Proposed Diversification. Accordingly, an EGM will be convened by the Company to seek approval from Shareholders for the Proposed Diversification.

Further details on the Proposed Diversification will be set out in a circular to be released by the Company to the Shareholders in due course, for the purpose of obtaining the approval of Shareholders in respect of the Proposed Diversification at the EGM to be convened. The EGM will allow Shareholders the opportunity to communicate their views on the Proposed Diversification, and consider, if thought fit, to approve the Proposed Diversification.

5. RATIFICATION OF THE LOAN AGREEMENTS ENTERED INTO BY THE GROUP AND MR. ZHU HUA

5.1. Background and Rationale

As announced by the Company, Mr. Zhu, pursuant to the subscription agreement dated 24 July 2024 entered into between the Company and Mr. Zhu (the “**2024 ZH Subscription Agreement**”), had undertaken to use his best endeavours to provide financial support to the Group by way of, *inter alia*, his participation in further capital fundraising exercises undertaken by the Company to ensure that the Company and the Group will be able to continue to operate as a going concern (the “**ZH Financial Support Undertaking**”).

In line with the ZH Financial Support Undertaking, Mr. Zhu entered into the 4Q2024 ZH Loan Agreements with the Company and EFM CN on 3 October 2024 and 3 December 2024 respectively, to formalise the respective parties’ mutual agreement and understanding in respect of the interest-free working capital loans extended by Mr. Zhu (the “**4Q2024 ZH Loans**”). As at the date of this announcement, Mr. Zhu has provided additional working capital loans to the Group amounting to S\$2,136,000 pursuant to the 4Q2024 ZH Loan Agreements.

As disclosed in section 1 of this announcement, the Company and EFM CN entered into the Supplemental ZH EFM CN Loan Agreement with Mr. Zhu on 16 May 2025 to amend, modify and supplement the ZH EFM CN Loan Agreement. Under this agreement, it was mutually agreed that the working capital loan extended by Mr. Zhu to EFM CN shall be partially repaid through the allotment and issuance of new EFM CN Shares pursuant to the Proposed EFM CN Subscription by Mr. Zhu.

As at the date of the announcement, EFM CN is a wholly-owned subsidiary of the Company with an issued and paid-up share capital of S\$1.00 comprising one EFM CN Share. Based on the management accounts of EFM CN for the financial year ended 31 December 2024, EFM CN’s net losses is S\$413,308 and the net liabilities is S\$413,307.

The Company has used its best endeavours to explore other financing options; however, in light of the present market conditions, limited financing options are available to the Group. Furthermore, the repayment terms for the 4Q2024 ZH Loans are also comparatively more beneficial than a regular term loan, which is expected to enhance the Group’s cash flow position in the near term. In particular, the repayment of the ZH EFM CN Loan through the allotment and issuance of new EFM CN Shares to Mr. Zhu is intended to strengthen EFM CN’s capital structure while preserving the Group’s cash resources. As EFM CN is a wholly-owned subsidiary of the Company, this approach allows the Group to settle its financial obligations to Mr. Zhu without requiring an immediate cash outlay, thereby enhancing liquidity and financial flexibility. The capital injection allows EFM CN to be better positioned to commence its business operations, supporting the Group’s overall strategic objectives. This structure also reinforces confidence in EFM CN’s future prospects while ensuring that the Company can continue allocating its cash resources efficiently to support other strategic initiatives within the Group.

Therefore, having reviewed the terms of the 4Q2024 ZH Loan Agreements, the Board is of the view that the 4Q2024 ZH Loans and the Proposed EFM CN Subscription are in the best interests of the Company, its minority shareholders, and EFM CN.

5.2. Information on the Lender, Mr. Zhu Hua

In addition to his capacity as Executive Director and Chairman, Mr. Zhu is a controlling shareholder of the Company with a direct interest of 505,500,000 Shares representing 29.90% of the Existing Share Capital of the Company as at the date of this announcement.

Accordingly, Mr. Zhu is an “interested person” of the Company and the entry into the ZH Biolidics Loan Agreement and the ZH EFM CN Loan Agreement (as amended, modified and supplemented by the Supplemental ZH EFM CN Loan Agreement) are each an “interested person transaction” for the purposes of Chapter 9 of the Catalist Rules. The issue price for each EFM CN Share is a nominal consideration of S\$1.00 and the total consideration of S\$104,080 to be paid by the Company for the 104,080 new EFM CN Shares shall be funded by the Company's internal resources. The issue price for each EFM CN Share was arrived at after taking into consideration the net liabilities of EFM CN was S\$413,307 as at 31 December 2024.

Upon completion of the allotment and issuance of the new EFM CN Shares pursuant to the Proposed EFM CN Subscription, the Company's interest in EFM CN will be diluted from 100% to

51%. The dilution of interest is not expected to have any material impact on the consolidated earnings per share and/or net tangible assets per Share of the Group for FY2025.

The Company will make further announcements as appropriate to update Shareholders on the Proposed EFM CN Subscription as and when there are further developments in relation to the same.

5.5. Chapter 9 of the Catalyst Rules

Rule 904(5) of the Catalyst Rules provides that an interested person transaction means a transaction between an entity at risk and an interested person. Rule 904(2)(a) and (b) of the Catalyst Rules provides, *inter alia*, that an entity at risk means the issuer or a subsidiary of the issuer that is not listed on the SGX-ST or an approved exchange. Rule 904(4) of the Catalyst Rules provides, *inter alia*, that an interested person means a director, chief executive officer, controlling shareholder of the issuer or any of their associates. Rule 904(6)(a) and (d) of the Catalyst Rules provides, *inter alia*, that a transaction includes the provision or receipt of financial assistance and the issuance or subscription of securities.

In accordance with Rules 906(1)(a) and 918 of the Catalyst Rules, where the value of an interested person transaction is equal to or exceeds 5% of the latest audited NTA of the Group (“**Group NTA**”), the approval of independent Shareholders is required to be obtained either prior to the transaction being entered into, or if the transaction is expressed to be conditional on such approval, prior to the completion of such transaction, as the case may be.

Based on the latest audited consolidated financial statements of the Company for FY2024, the Group’s latest audited net tangible liabilities (“**Group NTL**”) is S\$2,204,000.

5.6. The 4Q2024 ZH Loans as an Interested Person Transaction

Pursuant to Rule 909(3) of the Catalyst Rules, the value of a transaction is the amount at risk to the issuer. In the case of borrowing funds from an interested person, the value of the transaction is the interest payable on the borrowing. As each of the 4Q2024 ZH Loans are interest-free, the value of both transactions is zero. This is regardless of whether the Group NTL or market capitalisation of the Company is used as the basis for the computation of the interested person transaction materiality threshold.

While Shareholders’ approval is not required for the 4Q2024 ZH Loans pursuant to Rule 906(1) of the Catalyst Rules, for good corporate governance, the Company will be seeking Shareholders’ approval to ratify the 4Q2024 ZH Loans.

Pursuant to Rule 919 of the Catalyst Rules, Mr. Zhu and his associates (if any) will abstain, from voting on the 4Q2024 ZH Loans. Mr. Zhu and his associates (if any) will also decline to accept appointment as proxy for any Shareholder to vote in respect of the 4Q2024 ZH Loans, unless the Shareholder concerned shall have given specific instructions in his proxy form as to the manner in which his votes are to be cast.

The Audit and Risk Committee of the Company has reviewed the terms of the 4Q2024 ZH Loans and is of the view that the 4Q2024 ZH Loans are not prejudicial to the interests of the Company and its minority shareholders.

5.7. The Proposed EFM CN Subscription by Mr. Zhu as an Interested Person Transaction

Pursuant to the Supplemental ZH EFM CN Loan Agreement, EFM CN will be allotting and issuing 204,080 new EFM CN Shares to be subscribed by the Company and Mr. Zhu. The Proposed EFM CN Subscription by Mr. Zhu is for the partial repayment of the S\$410,000 loan and Mr. Zhu will be allotted and issued 100,000 EFM CN Shares for a consideration of S\$100,000. As Mr. Zhu will be subscribing for new EFM CN Shares, the Proposed EFM CN Subscription by Mr. Zhu as contemplated in the Supplemental ZH EFM CN Loan Agreement constitutes an interested person transaction under Chapter 9 of the Catalyst Rules.

The amount at risk to the Company in respect of the Proposed EFM CN Subscription by Mr. Zhu is the issue price of the EFM CN Shares which amounts to an aggregate of S\$100,000, which represents approximately 4.54% of the Group NTL as at 31 December 2024 of approximately S\$2,204,000

Assuming if the market capitalisation of the Company is used as the basis for the computation of the interested person transaction materiality threshold, the value of the Proposed EFM CN Subscription by Mr. Zhu is S\$100,000 and represents approximately 0.30% of the Company's market capitalisation of S\$33.82 million (computed based on the total number of shares being 1,690,758,836 Shares of the Company and the weighted average price on 15 May 2025, being the last full market day in which Shares were traded on the SGX-ST preceding the date of execution of the Supplemental ZH EFM CN Loan Agreement).

While Shareholders' approval is not required for the Proposed EFM CN Subscription by Mr. Zhu pursuant to Rule 906(1) of the Catalist Rules, for good corporate governance, the Company will be seeking Shareholders' approval for the Proposed EFM CN Subscription by Mr. Zhu as an "interested person transaction" under Catalist Rule 906 of at the EGM to be convened.

Pursuant to Rule 919 of the Catalist Rules, Mr. Zhu and his associates (if any) will abstain, from voting on the Proposed EFM CN Subscription by Mr. Zhu. Mr. Zhu and his associates (if any) will also decline to accept appointment as proxy for any Shareholder to vote in respect of the Proposed EFM CN Subscription by Mr. Zhu, unless the Shareholder concerned shall have given specific instructions in his proxy form as to the manner in which his votes are to be cast.

There were no interested person transactions entered into by the Group with Mr. Zhu (excluding the Proposed EFM CN Subscription by Mr. Zhu) for the current financial year commencing 1 January 2025 up to the date of this announcement.

5.8. Independent Financial Adviser

ZICO Capital Pte. Ltd. ("IFA") has been appointed as the independent financial adviser providing an opinion on whether the Proposed EFM CN Subscription by Mr. Zhu, is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders pursuant to Rule 921(4)(a) of the Catalist Rules. The opinion from the IFA will be set out in the Circular to be despatched in due course.

5.9. Statement of the Audit and Risk Committee in respect of the Proposed EFM CN Subscription by Mr. Zhu

The Audit and Risk Committee of the Company is of the view that the Proposed EFM CN Subscription by Mr. Zhu is on normal commercial terms and is not prejudicial to the interests of the Company and its minority Shareholders.

5.10. Catalist Rule 805(2) and the Proposed EFM CN Subscription

Catalist Rule 805(2) requires an issuer to obtain the prior approval of shareholders in general meeting if a principal subsidiary issues shares or convertible securities or options that will or may result in a percentage reduction of 20.0% or more of the issuer's equity interest in the principal subsidiary.

The Catalist Rules defines a principal subsidiary as "a subsidiary whose latest audited consolidated pre-tax profits (excluding the minority interest relating to that subsidiary) as compared with the latest audited pre-tax profits of the group (excluding minority interest relating to that subsidiary) accounts for 20.0% or more of such pre-tax profits of the group. In determining profits, exceptional and extraordinary items are to be excluded."

As at the date of this announcement, EFM CN is a wholly-owned subsidiary of the Company. While the allotment and issuance of EFM CN Shares pursuant to the Proposed EFM CN Subscription would result in the Company's shareholding in EFM CN to be diluted by more than 20%, the Company does not consider EFM CN to be a principal subsidiary for the purposes of Catalist Rule 805(2). EFM CN was incorporated on 31 July 2024 and its first financial year end will be 31 December 2025, in accordance with the requirement that a company's first financial year end must be no more than 18 months from its incorporation date. Accordingly, EFM CN's latest audited consolidated accounts of the EFM CN are not reflected in the audited consolidated accounts of the Group. Furthermore, as EFM CN has been dormant since incorporation and has not carried on any business since its incorporation, its pre-tax's profit would not be meaningful for the purposes of determining whether it qualifies as a principal subsidiary under Catalist Rule 805(2).

Therefore, notwithstanding the dilution of the Company's interest in EFM CN by more than 20%, the Proposed EFM CN Subscription will not be subject to the approval of the Company's Shareholders at a general meeting to be convened in due course.
